
RED CEDAR WATERSHED CONFERENCE

LAND, WATER AND PEOPLE COMING TOGETHER

**THURSDAY
MARCH 14, 2019
AT UW-STOUT, MENOMONIE, WI**

Hosted by the
Tainter Menomin Lake

Improvement Association (TMLIA)

**How does the economic and environmental health
of the Red Cedar watershed affect you?**

Economic Development – Sustainable Farming – Water Quality
Recreational Activities – Tourism – Personal Health

No matter where you live, in a rural setting, or in the city, this impacts all of
us. Join us for a day of exploring how we can all be part of the solution.
